the desire to stop using"

Twelve Steps of Narcotics Anonymous

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

Gauteng Meeting List

Updated July 2008

All meetings are open to family, friends and observers from the 1st to the 7th of every month and for birthday meetings.

Thereafter, please consult the meeting list.

Welcome to Narcotics Anonymous

At first you may find our meetings confusing, but if you keep an open mind and give yourself a break, you will soon see the sense and pattern of our meetings. The newcomer is the most important person at any meeting because we can only keep what we have by giving it away.
